Email:	jmansur@lakeforestca.gov
Is your agency adopting a single agency	Regional Agency Alliance Ordinance
ordinance OR a regional agency alliance	
ordinance?	
Date of adoption OR anticipated	
adoption:	1/19/2016
·	
Reporting period:	
December 1, 2015 through December 28,	0
_	
	•
	a locally modified Water Efficient Landscape Ordinance (WELO)
-	
Is it at least as efficient as MWELO?	Yes ▼
URL for your WELO	http://www.lakeforestca.gov/292/Planning-Documents
List major changes from the State's MWELO	<ul> <li>The OC Model ordinance breaks out the State Model Ordinance into an Ordinance document and a Guidelines document.</li> <li>More refined definitions to provide better clarity of technical terms.</li> <li>The OC model provides many more types of spray irrigation applications with normally accepted distribution uniformities in both Lower Quartile and Lower Half calculations.</li> <li>Expanded Evapotranspiration zones from three cities representing all of OC to a comprehensive listing of cities.</li> <li>The OC Model is accompanied by an Excel worksheet to help designers and planners evaluate compliance utilizing a unified approach.</li> <li>The OC model includes the following example documents as part of the Appendices within the Guidelines Document: Certification of Landscape Design, Certificate of Completion, and Inspection Affidavit.</li> <li>The inclusion of the Community Aesthetics Evaluation concept. While not subject to a permit, plan check or design review, the Community Aesthetics Evaluation may be performed to ensure the aesthetic standards of the community and irrigation efficiency intent is maintained.</li> </ul>
